

# RAN Workshop 12-13 Dec 2014 Bielefeld

The main focus of the workshop is on the application of the theory of random matrices to the study of quantum chaos. The workshop will be held at the University of Bielefeld, Germany. The workshop is organized by the Department of Physics, University of Bielefeld. The workshop is a part of the RAN program. The workshop is a part of the RAN program. The workshop is a part of the RAN program.

- THEORY & METHODS:
- M. J. Heuley
  - I. Dumitriu
- APPLICATIONS:
- Q. Chen
  - I. Dumitriu

Date: 12-13 Dec 2014.  
Address: 40 (20) ...

### Invited Speakers:

- A. Bufetov (M. ...)
- C. Dunning (K. ...)
- Y. Fyodorov (L. ...)
- M. Kieburg (B. ...)
- R. Kuhn (L. ...)
- M. Maillard (L. ...)
- M. Müller (E. ...)
- S. Müller (B. ...)
- M. Novaes (U. ...)
- M. Nowak (K. ...)
- N. O'Connell (W. ...)
- T. Peixoto (B. ...)
- R. Tribe (W. ...)
- K. Życzkowski (W. ...)

### Organizers:

G. Akemann, I. Krasovskiy, D. Savin, I. Smolyarenko, O. Zeitouni  
akemann@physik.uni-bielefeld.de, i.krasovskiy@imperial.ac.uk, dmitry.savin@brunel.ac.uk  
igor.smolyarenko@brunel.ac.uk, o.v.zaboronski@warwick.ac.uk

Contact: G. Akemann <rmt2014@brunel.ac.uk>
